

## Bernie Sanders: The Strongest On Equality

**Bernie is pro equality for all -- straight, gay, lesbian, bisexual, transgender -- and will fight for you as president.**

*"Bernie Sanders has been a steadfast and reliable supporter of LGBT equality, supporting the Employment Non-Discrimination Act... and even calling on President Obama to evolve already and support marriage equality in 2011. He's a cosponsor of the federal LGBT-inclusive Student Non-Discrimination Act and has consistently voted against bills seeking to amend the Constitution to ban same-sex marriage, while cosponsoring a bill that would repeal the remaining portions of the so-called Defense of Marriage Act. Sanders has a perfect score of 100 percent on the Human Rights Campaign's latest Congressional Equality Index." - Advocate.com*

Bernie can't win any of the primaries or the general election on his own. No candidate can. Help us build the massive grassroots movement we need to put Bernie in the White House, and—just as importantly—reform our political and economic systems from the ground up to serve the 99%.
